SUPERINTENDENT’S REPORT – Timothy S. Bowers, Ed.D.

Dr. Bowers thanked everyone for a very successful first day. We kicked off our hybrid and remote programs and our 1:1 program. He thanked the community for their patience.

Currently we have 1,076 full-time remote students and 3,766 hybrid students. We are running two very robust programs.

Dr. Bowers publically thanked Camp Susque and all their partners. These learning sites also launched today. These community groups and the County Commissioners have all come together to fill a need for our families.

Dr. Bowers noted that families and the public need to be prepared for quick changes. Many scenarios can cause disruptions. He spoke at the last meeting about our community being in the moderate transmission phase. If our community should move to substantial transmission phase, the District would need to move to fully remote.

If we have multiple faculty or students with COVID or quarantining, random shutdown of buildings or classes could occur. We may need to move entirely to remote or we could have rolling shutdowns. As a district, we will communicate as quickly as we are able.

Today was a good day. Tomorrow we look forward to another good day as we welcome our Hybrid A students back.

ITEMS FROM BOARD MEMBERS

President Baer thanked the administration team, teachers, support staff, bus drivers, community groups and parents for their efforts and endeavors.

ITEMS FROM PUBLIC

Kristie Tawney a district resident, addressed the Board with concerns regarding the availability of transportation for her grandchild. Dr. Bowers advised Ms. Tawney that someone from the transportation department would contact her to get specifics regarding the situation.

Upon motion made by Mr. Schefsky, seconded by Dr. Penman, and carried the meeting adjourned at 6:30 PM.
