REQUEST FOR BUSING FOR BABYSITTER/CAREGIVER

The Williamsport Area School District recognizes that parents have a need to use babysitters/caregivers to care for their child(ren) before and/or after school. In order for a child to qualify for Busing from a Babysitter/Caregiver, the following will apply:

The Child must be eligible for busing (K-6 more than 1.5 miles from the School/7-12 more than 2.0 miles from the School)

The Babysitter/Caregiver must also be located at an address which meets the same eligibility for busing.

An open seat exists on the existing run.

The Bus Stop will be an existing stop on the Run. New stops will not be created for Babysitter/Caregivers.

This request is for Monday thru Friday of every week of the School Year. If approved, the child will forfeit his/her seat on the Bus which the child would normally ride.

It is clearly understood that if a new child or a child who moves and now resides on the Bus Run and requires a seat on this bus and it is full, your child will be removed from this bus and replaced on his/her original bus that services your area of residence. Parents will be given a three (3) day advance notice of such change.

Parent/Legal Guardian must complete and sign this form and return it to the Pupil Transportation Department. This form is valid for the current school year only and this request must be re-submitted every year it is required.
