WASD Holiday Card Art Contest

The Williamsport Area School District is excited to launch its first Holiday Card Art Contest! Students are invited to submit their original artwork for a chance to have their design featured on the district's official holiday card, sent to hundreds of people throughout the community.

Three winners will be chosen, with one from each school level: primary, intermediate and secondary. Winners will be recognized by the WASD Board of Education in December and receive copies of their very own artwork to keep and share.
