

SAFETY COMMITTEE MEETING

October 16, 2025

Minutes

Present: Alexandra Seyler, Staci Godfrey, Nicole Warfel, Megan Hessler, Brandon Coleman, Dale Crans

Absent: Alesia Rudinski

- I. Prior month's minutes were approved by a motion from Brandon Coleman
- II. There were nine work injuries for the month of September to report. Four injuries were student related. The district has protocols in place to minimize the risk of injury to staff from students. Staff complete de-escalation training, training for proper use of restraint if needed/required, and there are individual IEP's specific to various students for which disruptions are addressed accordingly.
- III. Employee work injuries were discussed. During trainings remind staff to take caution in everyday tasks to prevent injury. Follow up with Alesia if we are using the new form recommended by Jay at the last meeting.
- IV. Building Inspections will need to be completed during in-service days or holiday breaks when students are not in the buildings. We are looking at starting these on November 4, 2025
- V. The Risk Manager Newsletter is about "The Importance of Corrective Actions"
- VI. The next meeting is scheduled for Thursday, November 13, 2025 at 3:30 p.m.; DSC 1st Floor Conference Room #1
- VII. Dale Crans motioned for the meeting to adjourn.

Respectfully Submitted,
Staci Godfrey
