Williamsport Area High School

Summer School 2022

INTRODUCTION-STUDENTS MAY ONLY ENROLL IN ONE FULL CREDIT

Summer school is an academic enrichment program for students who desire additional learning opportunities. Time is precious; each day is equivalent to a week of study during the regular school year.

From June 13 – August 5, Williamsport Area High School will offer one form of summer courses - credit acceleration - to WASD enrolled high school students and incoming 9th grade students (acceleration courses only). Students may only enroll in one summer school class during the summer term. **Non-resident registrations will not be accepted this year.**

All summer school courses are being offered remotely in the Schoology virtual learning system. Students will attend daily live lessons 5 days a week (Monday – Friday) and should expect to work 2-3 hours per day. Course credit is earned with a grade of 65 or higher. ***Students who do not complete the course will not receive course credit and will have the failing grade transcribed on their high school transcript (affecting rank and GPA).***

Registration materials are available online and in the WAMS and WAHS counseling offices.

REGISTRATION INFORMATION – DEADLINE: JUNE 10TH

Information and registration forms are available in the counseling offices of the Williamsport High School and middle school as well as on the Williamsport Area School District's (WASD) website:

<http://www.wasd.org/summerschool>.

Students should meet with their counselor to discuss the appropriate course selection. The completed registration form can then be submitted to the Williamsport High School main office or online at <http://www.wasd.org/summerschool>.

REGISTRATION CLOSES THURSDAY, JUNE 10, 2022 or until the class fills.

LATE REGISTRATIONS WILL NOT BE ACCEPTED UNLESS ADMINSTRATIVELY APPROVED.

NO SUMMER SCHOOL FEES

Williamsport Area High School will offer, free of charge, one form of summer courses. Credit acceleration courses are available to WASD high school students. Acceleration courses are available to rising 9th grade students as asterisked.

All summer school courses are being offered remotely in the Schoology virtual learning system. **Course credit is earned with a grade of 65 or higher. Students who do not complete the course will not receive course credit and will have the failing grade transcribed on their high school transcript (affecting rank and GPA).**

STUDENT DAILY SCHEDULE

Attend remote live lessons Monday – Friday

2-3 hours per day

Meeting times to be determined by instructor
