Third Grade, Jackson Primary School

I'm most thankful for love during the holiday season, because if there was no love, I wouldn't have anyone to support me.

I'm thankful for my mommy also, because if I didn't have her no one would tell me to brush my teeth every day, clean my room and always be kind to others.

Another thing that I'm thankful for are my sisters. I'm thankful for them because they are nice to me and they make me laugh.

I am most thankful for my mom and dad, because they love me and care about me. I am thankful for the time I got to spend with my dad before he went to Heaven. I am thankful for my family because they care about me, help me and love me. I am thankful for my dogs, Devi and Duchess, because they love me, snuggle with me and play with me and watch TV with me.

I am thankful for my best friend, Kylah, because she has been my best friend since pre-school, and plays with me and helps me. I am thankful for all of my teachers for teaching me and being so nice.

I am thankful for God, because he made Earth. I am thankful for fruit, because it is my favorite. I am thankful for Santa Claus for bringing people together and bringing presents, and I am thankful for giving presents to my family, pets and friends. I am thankful for chicken nuggets and candy because they are yummy in my tummy. I am thankful for my dance school, LKW, and dance instructors for teaching me how to dance and dance friends, and soccer because it is so fun.
