BOARD PRESIDENT’S REPORT CONT’D: – Ms. Lori A. Baer

A motion was made by Mr. Sanders, seconded by Mrs. Derr to approve items 7.14 & 7.15. Discussion occurred with board members asking Mrs. Wylie additional questions related to Wonders. Mr. Sanders noted that the committee did a great job and he finds confidence in how the process worked.

Voice vote occurred. All votes are affirmative. The motion carried.

Motion was made by Mrs. Derr, seconded by Mrs. Deavor to discuss items 11.1 and 11.2.

Scott Cousin and Drew Cerjanic from Crabtree, Rohrbaugh & Associates (CRA) answered questions and reviewed the original estimates with escalation clauses. The project bids were under the escalated estimate by over \$6.5 million dollars. With the athletic field alternates, the entire project is still about \$1.2 million under the estimate. This is the first project that CRA has had in a long time that has come in at these costs per square foot. The baseball and softball athletic programs are the only sports that we do not have our own facilities. We've enjoyed and appreciate the partnerships with the community groups to utilized their fields. It would, however, be very beneficial to the sports program for the district to be in charge of the fields and when they can be utilized.

A motion was made by Mr. Sanders, seconded by Mrs. Derr to approve item #11.1.
