

## AGENDA ADDENDUM

May 5, 2020

### 7. CURRICULUM REPORT:

- 7.1 Consider approval of the Lock Haven University Course – Sociology, Anthropology & Geography (SOCI101). This request includes offering 1.0 Williamsport Area High School elective credit, and including the course on the student’s transcript as a 1.4 weight, commensurate with dual enrollment courses. The course will factor into the grade point average, and will contribute to class rank as long as the student’s total credits do not exceed eight for the 2019-20 school year. The course description has been reviewed and approved by the high school principal. Cost for the course is the responsibility of the family. The final grade must be reported to the school on an official Lock Haven University transcript before credit is given or transcribed.
- 7.2 Consider approval of the Johns Hopkins Center for Talented Youth Course – Crafting the Essay. This request includes offering 1.0 Williamsport Area High School elective credit, and including the course on the student’s transcript as a 1.4 weight, commensurate with dual enrollment courses. The course will factor into the grade point average, and will contribute to class rank as long as the student’s total credits do not exceed eight for the 2020-21 school year. The course description has been reviewed and approved by the high school principal. Cost for the course is the responsibility of the family. The final grade must be reported to the school on an official Johns Hopkins transcript before credit is given or transcribed.
- 7.3 Consider approval of the Pennsylvania College of Technology Course – Introduction to Forensic Science (SCI101). This request includes offering 1.0 Williamsport Area High School elective credit, and including the course on the student’s transcript as a 1.4 weight, commensurate with dual enrollment courses. The course will factor into the grade point average, and will contribute to class rank as long as the student’s total credits do not exceed eight for the 2020-21 school year. The course description has been reviewed and approved by the high school principal. Cost for the course is the responsibility of the family. The final grade must be reported to the school on an official Pennsylvania College of Technology transcript before credit is given or transcribed.
- 7.4 Consider approval of the Lycoming College Course – Acting I (THEA145). This request includes offering 1.0 Williamsport Area High School elective credit, and including the course on the student’s transcript as a 1.4 weight, commensurate with dual enrollment courses. The course will factor into the grade point average, and will contribute to class rank as long as the student’s total credits do not exceed eight for the 2020-21 school year. The course description has been reviewed and approved by the high school principal. Cost for the course is the responsibility of the family. The final grade must be reported to the school on an official Lycoming College transcript before credit is given or transcribed.
