

# WAMS PTO

Please consider joining the WAMS PTO (Parent Teacher Organization). Our PTO is a dynamic group dedicated to supporting our students' middle school experience by working together with parents, teachers, and administration.

WAMS is currently establishing its group of volunteers to serve as Board Members & Committee Chairs for this 2016-2017 school year. Please contact us if you are interested in serving.

In addition to the many additional volunteer opportunities offered through the PTO, there will be meetings that give you the opportunity to gather information, share ideas, and make suggestions. We meet every other month, or as needed if a special event is being planned.
