### What is the PSAT?

The PSAT is a practice test for the SAT that is administered during the school day at the high school. The PSAT “measures college and career readiness and gives students tools for planning their future” ([www.collegeboard.org](http://www.collegeboard.org)).

### **Where and when** is the PSAT?

The PSAT will be given on Wednesday October 16 at the High School. This is a national test date, so there will not be any make-up test dates.

### **Why** should you take the PSAT?

- The cost to register is \$17 (cash, check or money order) – 11<sup>th</sup> grade students who qualify for free/reduced lunch can receive a fee waiver to cover the cost of the PSAT
- When students register, each student will receive a Student Guide that provides sample questions and more detailed information about the PSAT and the National Merit Scholarship competition.

## **SAT vs. ACT – Which one should you take?**

The majority of Williamsport High School students take the SAT when applying to college, but the ACT is also an option for you. We are more familiar with the SAT because College Board (the company who produces the SAT is based out of New Jersey) as compared to the ACT which was developed at the University of Iowa. With the recent revisions to the SAT though, there are now not many differences between the SAT and ACT. Both are good options as you complete the college admissions process. Here's a more detailed breakdown of some of the potential differences:

	<b>SAT</b>	<b>ACT</b>
How much does it cost?	\$64.50 w/ essay, \$49.50 no essay  **Fee waivers are available if you qualify for free/reduced lunch – come to the guidance office to request one**	\$68 w/ writing, \$52 no writing
Where is the test given?	Williamsport High School (and some other local school districts)	Penn College or Hughesville (depending on the test date)
What am I tested on?	3 sections – reading, writing & language, and math – and optional essay	4 sections – English, math, reading, and science – and optional writing section
How long is the test?	3 hours + 50-minute essay (optional)	2 hours 55 minutes + 40-minute essay (optional)
How are the scores reported?	Composite score range of 400–1600 (SAT Essay: reported in 3 dimensions, each 2–8)	Composite score range of 1–36 (writing domain scores: 2–12)
Is there a penalty for guessing?	No penalty for guessing	No penalty for guessing – score is based on correct answers
What schools will accept my scores?	All U.S. colleges	All U.S. colleges

## When should I take the SAT (or ACT)?

Students are encouraged to take the SAT/ACT during the spring of the junior year. Ideally, students will take the PSAT in October of their junior year and then use the results from the PSAT to help study for the SAT. PSAT results typically become available in December. The March SAT date is a good goal to set for yourself – by taking the SAT in March, you would then have time to take the SAT for a second time in June if you want to try to improve your scores. Some seniors also choose to take the SAT in October or November for a 2<sup>nd</sup> or 3<sup>rd</sup> time. See below for the test dates and registration deadlines for the SAT and the ACT – you need to plan ahead in order to avoid a late registration fee!

## How will I pay for college?

Seniors, are you heading to college next fall? Make sure you've considered the cost of college and take advantage of all of the financial aid opportunities!

Anyone heading to college will need to complete the FAFSA (Free Application for Federal Student Aid). Current seniors & parents/guardians can now start the FAFSA on October 1. Complete the FAFSA as soon as possible after October 1. Use the IRS Data Retrieval Tool to transfer student and parent tax information to the FAFSA.

Here's the link for the FAFSA → <https://fafsa.ed.gov/>

Be sure to attend **Financial Aid Night** to help you better understand the Financial Aid process, such as what happens after you submit the FAFSA? What information will they ask for on the FAFSA?

**Financial Aid Night: October 8th @ WAHS, 6:30pm**

If you want more help completing the FAFSA, consider attending the **FAFSA Completion Night** which will be held on October 29 from 6-8pm in the High School Library. Financial aid representatives will be on hand to help guide you through completing your online FAFSA application and the PHEAA state grant application. This event is open to **all** college bound seniors and their parents/guardians.

## More Financial Aid Resources

**PA Student Aid Guide** (<https://www.pheaa.org/college-planning/student-aid-guide/>) – This document is provided by PHEAA. This guide provides a complete overview of the financial aid process, with information on most of Pennsylvania's financial aid programs and services. Find everything you need to know about paying for higher education.

<http://www.mysmartborrowing.org> - an interactive tool where you can create up to four different scenarios to see how your career and college choices may affect how much you pay for college and if you are at risk for over borrowing.

## Scholarship Opportunities

Take advantage of all of the potential scholarships that are available to you! Make applying for scholarships another part-time job – many students choose not to apply for scholarships because it's a little extra work, but then you are passing up on potential **FREE MONEY!!!**

**Independent Scholarships** – There are many scholarships that are open for students regardless of what high school you attend. A hard copy is also available in the guidance office or you can visit the guidance website at <https://www.wasd.org/our-schools/williamsport-area-high-school/scholarships>.

**Local Scholarships** – During the spring, the guidance office will have a list of local scholarships that are specifically for Williamsport High School students.
