

Williamsport Area MS Summer Transition Program

Please join us for a full day of orientation to the Williamsport Area Middle School.

The team has planned a fun, interactive day to allow students to get familiar with the middle school before the first day of school. Students will have the opportunity to discuss topics such as leadership, study skills, PBIS, problem solving, complete a scavenger hunt/tour, learn about clubs and activities, and participate in team building activities.

Six fun, creative,
hands-on activities
throughout the day!

Learn more about
our building.

Free Transportation
& Free Lunch
Provided

Meet teachers,
counselors, &
principals.
