_____ is the principal of our school and will help you become a leader and a reader.

The people in the office will welcome you with a warm smile, and they will always go the extra mile!

Our schools have a counselor or a specialist who will help your family find all the right tools to be successful and happy at school.

Check out the fabulous work in our halls! The classroom art covers our walls.

WELCOME TO KINDERGARTEN! Come on in and let the fun begin!

We have an awesome group of kindergarten teachers who will help you become a top-notch reader.

Whether a locker, a hook or a cubbie, we have a place for you to call your own, where all your belongings have a home.
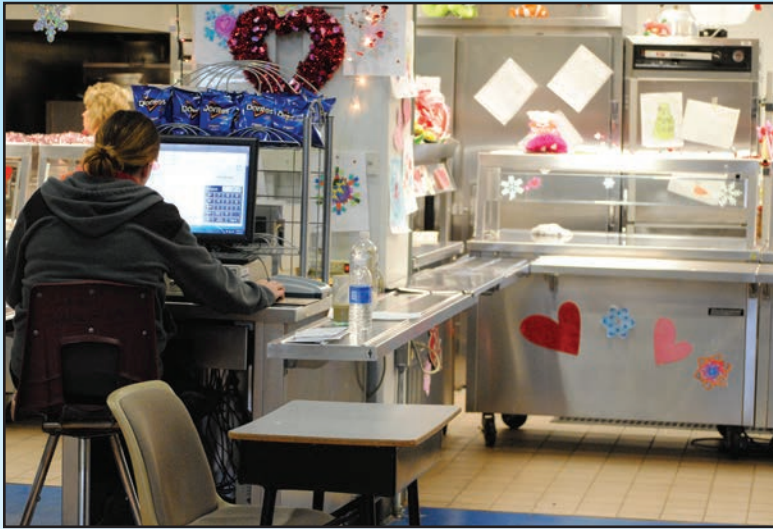

Here in our classroom the fun never ends! This is a place for circle time and meeting with friends.

In school we learn about shapes, numbers, and letters! We do lots of fun and exciting activities as we work together.

In case you need to go, there are boys' and girls' bathrooms in the halls. Some of the kindergarten rooms have a bathroom within the classroom walls.

Are you hungry? It's time to eat! A lunch where you can sit with your friends and pick what you want, isn't that neat?

Hooray! It's time for recess! Playing on the playground is always the best!

A bump, a scrape, or a bruise? Have no fear!
The nurse is here to wipe your tears.

    In kindergarten, we have special classes. Our gym teacher shows us how to take shots and make passes.

There are special teachers for music and art. They help us create and grow songs in our heart!

Go to the library and take a look! There you will be able to check out a book.
